

Adult Continuing Education

Jackson Electric Cooperative will award eight \$250 adult continuing education scholarships to qualified students who display a strong desire to obtain a secondary education for the betterment of their career.

Qualifications are:

- Student must be an active member (primary residence) on Jackson Electric Cooperative's lines. Must provide proof of residence (account number and member number; name of student must be on Jackson Electric Cooperative's account).
- Student displays a desire to obtain a secondary education.
- Student must be 25 years of age or older.
- Proof of enrollment at an accredited technical school, college or university must be submitted with application.
- Proof of successful completion of class credit(s) must be submitted before scholarship reimbursement is made.
- Class credit(s) must be completed the same semester as enrollment.
- Student can only receive one scholarship within a 12-month period.

Application Deadlines:

- December 1 (spring enrollment)
- June 1 (summer/fall enrollment)

Jackson Electric Cooperative reserves the right to refuse any and all scholarship applications.
