

Continuing Education Scholarships

Jackson Electric Cooperative awards a \$750 continuing education scholarship to one qualified student, whose parents are members of Jackson Electric Cooperative, from each school district in our service territory. The following schools are included:

- Alma Center-Lincoln-Humbird High School
- Black River Falls High School
- Blair-Taylor High School
- Melrose-Mindoro High School
- Neillsville High School
- Osseo-Fairchild High School
- Sparta High School
- Whitehall School District

To qualify for a Jackson Electric Cooperative scholarship:

1. Parents of the student must be active members of Jackson Electric Cooperative
2. Student displays leadership skills through school and community involvement
3. Student expresses a strong desire to continue his/her education

Application forms are available from your local high school guidance counselor.
